Our general English classes offer a great opportunity for you to practise your English, as it focuses on all four skills of the language: listening, reading, writing and speaking but with a **focus on communication**. Vocabulary and grammar are also covered, giving you the chance to polish up on prior knowledge or be introduced to new concepts in an engaging and supportive environment. Classes consist of no more than 12 students, with an average of 6-8; ensuring that each learner is provided with personalised feedback. A **fun activities program** is also provided.

Studying 15 or 25 hours per week, GE15 and GE25 attract students from a wide variety of countries, particularly European and East Asian, meaning learners are exposed to a wide range of accents and cultural backgrounds which creates diverse and interesting classrooms. **You can start any Monday.**
