Our private classes offer a great opportunity to students to benefit from a course designed specifically for them. They will receive individualized feedback, more practice, and the classes will focus on exactly what the student needs to work on to improve. Typically, students see quicker progress in these classes and this is the most effective course type that we offer.

Specialist English classes can focus on anything: business English, exam preparation (IELTS, TOEFL, TOEIC, GED, Cambridge Exams, other exams), presentations, email writing, pronunciation, interview preparation, speaking/conversation, academic writing, and more.

Students can start any day of the week and study 1 to 40 hours/week. The below prices are for total hours, but we also have pricing for weekly 1:1 hours.
